Dear Parents,

For this quarter of children's Sunday School (June – August), we will focus our weekly memory work on the **invaluable pursuit of God's wisdom** as described in Psalm 119:1-16. We trust this investment of time and effort will help our children value and delight in God's words.

Scripture memory plays an important role in the discipleship of our children, and our desire with this memory schedule is to assist you with a tool you may find helpful. If your children participate, feel free to choose which Bible version you would like to have your child(ren) memorize. The teachers are prepared to hear recitation from the KJV, NASB, or ESV. You may also determine how much of the verse they are able to handle. For example, the **bolded portions** of the verses may be appropriate portions for the 2–5 year-old classes.

Should you ever need them, the verses are posted online at <https://www.mountcalvarybaptist.org/children>.

Thank you,  
Eric Newton
